OTHER BUSINESS ACTIVITIES (ITEM 4)

Mr. Adamson participates at the board level of an AGP client and receives compensation for this work in the form of partial office rent reimbursement.

In addition, Mr. Adamson is the Managing Member and owner of TBDD Management Co. LLC, TBDD Performance GP, LLC and TBDD Performance LP; entities that seek private (non-publicly-traded) investment opportunities. Through TBDD Management Co. LLC, Mr. Adamson acts as a non-managing member on the Board of Directors to one of these private partnership entities. These private investment opportunities are also offered to AGP clients, if and when deemed appropriate, which creates a conflict of interest for AGP and Mr. Adamson because Mr. Adamson could receive a portion of the carried interest, administrative or consulting fees in such opportunities, as disclosed in the private investment documents. This conflict is mitigated by adherence to the objectives and goals of the participating AGP clients and through written disclosure delivered to said clients.

Mr. Adamson participates on the investment committee of The Ronald McDonald House of Dallas. Mr. Adamson is not compensated for his role with this entity and the Ronald McDonald House of Dallas is not a client of AGP.

These conflicts are also disclosed on AGP's ADV 2A and within Mr. Adamson's U4 registration filing, as required.
